Dear Ernest:

I am pleased to continue supporting the efforts of the Fifth Ward Enrichment Program (FWEP). I wholeheartedly support your mission of empowering young men onto positive pathways. I totally agree with the importance you place in promoting regular interactions between at-risk youth and positive adult role models.

As a faculty member of the University of Texas-Health Science Center I am delighted to inform you of my voluntary support in identifying, recruiting, and referring qualified volunteer mentors to the FWEP on an ongoing basis.

If I can be of further assistance, please feel free to contact me.

Yours truly,

Dr. Ron Peters
Assistant Professor of Behavioral Sciences
